

## Exhibitions WIND EXPO

We, MITSUI E&S SHIPBUILDING CO., LTD., are pleased to announce that we are participating in “WIND EXPO 2024” which will be held from February 28<sup>th</sup> to March 1<sup>st</sup>.

On our booth we will be presenting our product called SSC (SWATH) type access vessels for offshore wind energy (Crew Transfer Vessel=CTV). We can also provide consultation on performance evaluation and availability evaluation of various types of CTVs at approaching/navigation.

We would be delighted to see you at our booth during this event.
